PPC Open Day March '09

Many thanks to everyone who came to our Open Day back in March for making it a fantastic event. After just over 30 cars turned up to our first Open Day last year we were surprised and delighted to have 66 TVRs and several other sports cars visit on a beautiful sunny day.

Chatsworth Gathering

We attended the massive TVR Car Club Chatsworth Gathering event in April and had a fantastic day catching up with friends. Sorry if we didn't manage to meet up with all our customers that attended the event – it was such a big field full of hundreds of fantastic cars! I think we'll bring a PPC flag next year so people can find us. Well done to Kev Dunnington and his team for putting on a really great day.

Free TVR Inspections

The summer months are always a popular time for people to buy a 'new' TVR. Don't forget at PPC we offer a FREE car inspection. If you've just bought your first TVR or just changed your car please call us to book in your new 'pride & joy' so we can look over it with you.

Holiday Closure

Please note PPC will be closed from Saturday 12th September to Saturday 26th September for our annual holidays. Please bear this in mind if you need to book in your car for a service or MoT. Service and MoT reminders will be sent out early to take this into account. If during this period you need to have your car recovered to PPC following a breakdown details will be left on our answer machine at 01664 481065. We will be open as usual again on Monday 28th September but for those customers who prefer to drop their car off at weekends we can arrange a drop off time on Saturday 26th.

Don't Forget...

If you have any questions about running or upgrading your car don't hesitate to give us a call. As usual we will be out and about at many TVR Car Club meetings and look forward to meeting you. Paul & Jill.
